This message serves as a resource-style update from our January Parent Council meeting. Please note: this is **not** our official annual minutes, but a reflection and information report.

Attendance
There were three people present:
• Alison Bell – vice principal of Howard Robertson public school
• Kaitlin – Voting Member
• Sheena Merling – Parent Council Member

Brianne Tanner president of council

Because quorum was not met, we used this time to reflect, share updates, and discuss possibilities for future fundraising.

School Updates
Alison Bell shared that an **Indigenous Daycare** will be coming into Howard Robertson Public School — a very exciting development for our community.

She also noted:
• Report cards will be coming home
• Term 2 is beginning for students

Fundraising Discussions
We discussed several ideas for future fundraising:

• **Pizza Day** – Kaitlin and Sheena collaborated on this, and Kaitlin has already sent Parent Council several quotes for consideration.
• **Hot Dog Day** – Sheena is exploring the option of a hot dog, bag of chips, and juice box combo and what the cost structure might look like.
• **Popcorn** – This is currently on hold and not in our hands at this time.

PRO Grant Update
Parent Council applied for the **PRO Grant** for $1,000 and was approved for **$850** 🎉

Details will be shared in the coming months. The funds will be used toward:
• A **Science Night**
• A **Social Gathering** where parents can connect, learn together, and build community

This concludes our January Parent Council Resource Report. Thank you to those who were able to attend and contribute.

With gratitude,
Sheena Merling
