Fall Fundraiser (Read-a-thon) - Final Report (Emily)

- 25,760 reading minutes were logged!!
- The kids loved bingo
    - Helped the kids with their drive
    - Thoughtful and equitable design
- The reading sponsors were:
    - Wordsworth, J&J, It's all wild co.
    - Consider the Princess Cinema in the future
    - Wordsworth is a great partner for the future
- Extra bookmarks were given to Mrs. Devereaux for prizes in the Library
- The prizes were handed out graciously without fighting / the kids were well behaved
- The group agreed that 2 weeks was perfect for the kids' attention span!

Winter Wonderland - Update - Jan 15 (PRadeep)

- Mad scientist
- Hot chocolate
- Murals
- Temporary tattoo
- Scratch sheets
- Most volunteer spaces have been filled; only a couple remain. Ashley posted the signup sheet on Facebook for the last push.
- Pizza order is all good
    - Will be delivered in the evening
- We are slightly above budget, but the pizza should cover.

- If buses are cancelled, then Winter Wonderland will also get cancelled
    - We could reschedule
    - Mad science *could* cancel due to the commute

Action item: Serena to post a school day reminding folks to use the side door for Winter Wonderland.
Action item: Serena to figure out the stage.

Movie Night - Report (Ashley)

- Attendence was lower, which could be a result of:
    - We moved the date to November vs. the typical April
    - Illness
    - movie choice
        - The children were rowdier, so the movie didn't grab their attention.
- AV went off without a hitch - YAY!
    - Jake is ready to take over AV - succession planning complete!

Volleyball Poles, Nets and Gagaball purchase

- How do we buy them? May need a discussion with the Board.
- The Gaga Ball pit may need to be revisited, given that the proposed area has since been replaced with rocks by the board without consultation.

Action item: Serena to investigate purchasing the volleyball poles and nets - next steps.
Action item: Serena to discuss location options with the Board for the GagaBall pit.

PROGrant - Garden Night Update (Ashley)

- Our application was successful, and we have been allocated $800
- Tentatively booked for Tuesday, May 5th
    - The event costs a little bit more than that, so the next step is to develop a budget and reallocate some budget into this event

Action item: Ashley will start coordinating the event and create a budget.

Dance-a-thon - March 6th (Ashley)

- DJ booked
- Need volunteers to help supervise the photobooth and greet kids coming into the gym (hand out glowsticks)
- For more equity with the photobooth, someone could dress up in a costume or the buddy bench for those who do not have a friend to join them in a picture
- It was requested that class schedules be sent home early, so parents can join if they wish.
- Students may request songs during their time in the gym.
    - Request APT, pink pony club, and golden for the kindies

Action item: Ashley will send out communications to Serena for circulation to Teachers
Action item: Send out communication to solicit volunteers, VSC required.
Action item: Serena and staff to think of activities for the other side of the gym
Action item: Glowsticks to be purchased.

Year-End Social - Sub Committee - June 18 (Ashley)

- We need a subcommittee to plan the event
- Activities in previous years:
    - Sidewalk chalk
    - Basketballs on tarmac
- Official name: Lolly-palooza
- The gym has been booked for back-up
- Freshco may provide the popsicles at cost
- Subcommittee: Emily & Emily

Action item: Ashley to forward contact for Freshco owner to the subcommittee.

Technology in Classes

- As part of the Movie Night conversation, there was a detour to technology and screen time in classes
- Serena advised that many resources are available online, so students are using Chromebooks throughout their day
- Printing costs are expensive, and take a huge part of the school's budget
- The Board is currently reviewing policy for information that will be available to students, and blocking sites
- Parents expressed concern surrounding the use of YouTube

Families in Need (Serena)

- We currently have $100 allocated for student subsidies
    - We can re-allocate funds as required to provide more support
    - During the meeting, the Board policies were reviewed, and it does not appear that any exclusions would allow Council from providing support
    - We cannot do gift cards
- Potential to solicit donations from the community
- Discussion of more transparency
    - Right now, the school is looking for all the opportunities to make things more equitable for all
- Nutrition for learning + food for kids are two available programs that could be looked into
    - They do snacks and nutrition for all schools
    - We've done donations in the past to both
    - Food for kids is for weekend support
- ESNS - "add funds for a kid in need" → Needs review (LBP did this)

- We could investigate having a Millen Woods Food Pantry, with any surplus going to the food bank

Action item: Serena to review with staff and provide a proposal for how Council can provide support.

Deferred Items

- Book Swap (Deferred to June 2026)

Adjournment (Dan / Emily / Ashley)
