Students are pros at navigating the technology for remote learning- both a good and bad thing

Gudrun- teachers recognize that remote learning is challenging for everyone- parents/ students
really trying to provide social engagement opportunities for the students with remote learning
need to stress the importance of returning borrowed chrome books, as they are used daily within the school

Becca- assisting youngest at lot with online and really noticed high attendance rate
Gudrun- completely agree about the high attendance
Christine- agree and maybe because there was an end date? 8 days seemed doable?

C) Treasurer Report- Alida Kusch
2 deposits have been made - Plantables $240, Ministry Grant (PRO Grant) $376
all teacher requests approved at the last meeting will start to come out of the account next month
Becca-were the teacher requests from Amazon ordered?
Erica- my understanding is that yes, they were ordered
Becca- just a reminder that all requests should include tax and shipping if possible

Christine-we based our request on the price Amazon posted for that day, which was comparable to the price that others paid last year (for headsets)

D) New Business- Becca Hardy

1)FUNDRAISING**-**Laura not able to attend tonight, Becca gave a brief update on fundraising

a)Dominoes Pizza fundraising started tonight, 3 Wednesdays in a row

Erica- coupons came to the school, not sure what to do with them?
there are a few school families that would appreciate and use the coupons

Becca- please distribute at your discretion

b)FlipGive- $300 raised to date
easy to use app and very hands off for council
Alida- good tip is to purchase grocery store gift cards before going to the store

2)STAFF APPRECIATION- typically do staff appreciation in March, but unsure what we can even do at this point
Last year we did personalized tumblers/coffee card
we should start to think about ideas for this year
realistically we won't be able to be in the building

Tanya what is the budget?
Jocelyn- usually $300 because it has always been potluck style
Tanya- could consider a boxed lunch
Adriana- cheesy or funny "I survived COVID teaching" t-shirts?
Gudrun- the challenge with lunches is that most restaurants open for lunch at 11 and lots of staff eat at the 10:30am break
Erica- maybe with lots of notice and a larger order, some will make an exception
Amy- Monigram's might do brunch?
Tanya- we done 50's diner for brunch and have a great relationship with EVO kitchen
Jessica- vote for lunch
Erica- if done later in the spring, we could possible set up outside
Becca- love this idea- picnic, flowers, etc
Neil- last year we talked about music by Eric Bolton
Becca- excellent ideas- let's plan for May 16th, 2022

3)PRO GRANT- Parent's Reaching Out Grant
$750 to have a guest speaker for parents in the evening hours
last year we arrange Andrea Davis- Better Screen Time and combined with 2 other schools

Becca- Toronto District School Board has a list of recommended speakers
Freedom School- 3 part series
Ann Douglas- stress/anxiety amid the pandemic, social isolation,
had a book that could be included or raffled off?
Erica- could possibly purchase her book for our community library
Alida-mental health issues at the fore front @ work/life and home
Jocelyn- 100% agree about mental health
Becca- will reach out to Ann Douglas
Adriana- her website posts her previous lectures and it looks like she is willing to tailor to our needs
Gudrun- mental health and discrimination don't have to be exclusive and can actually blend well together
Becca- to check availability and price
