PRO Grant (Parent Reaching Out)

The Parents Reaching Out (PRO) Grants provides funding for school boards to work with their Parent Involvement Committee and/or school councils to lead initiatives that address local parent needs and/or remove barriers that prevent parents from participating and engaging fully in their children's learning and educational progress.

- Vista Hills was awarded a $500 PRO Grant

- Arts Night planned for beginning of May - could piggy back on that event to add Reflex Math and Literacy Games
- Neha will have a lunchtime meeting with teachers to plan out details

Financial Update

- Account balances up to date
    - School Council a/c# 850 - $11666.2
    - Pizza Revenue a/c# 851 (dormant a/c) - $8070.16
    - WEFI a/c balance (online payments) - $7441.21
    - TOTAL - $27177.57

- Accounts maintained at board level and statements available from school office.
- WEFI a/c status
    - 2 lines for online payments - school line and council line.

- Current balance - $7441.21 excluding $997.38 pending transfer from school line to council line.

- A/c limitation - Can be utilised only for big project spending since it has go thru' board level procurement process that requests for 3P quotations involving more oversight and delays.

- Expenses
    - School-day transaction fees - $162.87
    - The drumline funding request for ~$2400 that was approved in last council meeting has been expensed.
    - Transaction yet to be posted.
