- Other fundraising requests pending further discussion and approval:
  - Basket ball hoops, free-standing with solid pole - $6500 each. Wall mounted hoop is also an option, but Christine will need more guidance on where to place these wall mounts.

  - Mascot (Brigabear) - $5400 to $8000 for full mascot. Just the Mascot head - $3600 to $4500. Timeline: 16 to 18 weeks for delivery.

4. Fundraising

- Box of Cards - this will run in the Spring/mid-April.

- First Aid Kits - the profit margin is 40% on items sold, and the fundraiser will run in March. Brochures have arrived at the school and will be sent home with students before March Break. Reminders will also be sent via School Day.

- Flyers must be returned by March 21st. As of the council meeting, Christine is still determining whether payments will be collected via School Day or cash.

- Popcorn day - School day communication has been sent out to the school community and purchases can be made via school day. Feb 25th is the first popcorn day.

- Movie Night - First movie night is March 5th at the gym for a 5pm start. Movie "WonderPark". Next movie night is scheduled for May 13th, pending gym availability.

5. Community Events

- Staff Appreciation Lunch - Originally scheduled for June 18, but this date needs to change due to an overlap with another event i.e track and field, that is also scheduled on June 18th. New date suggested: June 19th.

- Spring Social - June 5 (rain date June 12). Pro Grant application has been approved for $1200 towards the spring social.

- Movie night - March 5 and May 13 pending confirmation of gym availability.

6. Information Sharing/Miscellaneous Discussion

- **Peace Garden Discussion**
  - The project was originally proposed as a multi-stage, multi-year upgrade plan. Christine spoke with facilities, and the school will need to submit a proposal for board approval.
  - Council discussed a more manageable Phase 1, focusing on adding grass to the Peace Garden. This smaller-scale initiative would require less effort and funding, making it a feasible project for council-led fundraising.
- **Tarmac Paint**
  - Reworking existing paint lines is a Work Order that is free.
- **Christine's Update**
  - Brigadoon had a great winter carnival, and everything went smoothly thanks to staff and volunteers.
  - Lots of clubs and activities are ongoing.
  - There are many leadership opportunities available for students.

7. Teacher Rep Update

- May 21st - Spring Arts night is coming up.

NEXT MEETING:
Thursday March 6th. Date changed from the regular Wednesday due to conflict with Movie Night.
