Cedar Creek Public School Council Meeting

Wednesday, April 23, 2025 / 6:30pm School Library

Agenda Item	Facilitator/ presenter
Welcome/ Attendance Sheet/Name Tags/Introductions	Vicki/ Dina
New Business ● **WRAPSC Recap** ○ ● **25th Anniversary / Arts Night** ○ Thursday May 8th, 4-7pm ■ 10-11 confirmed auction items so far ■ Mr. Eric is going to set up a room for the auction to be held out of ○ Burger/hot dog meal bundles now available on School Day ($5 with chips and a drink) ○ Erik Nicholls has created a schedule for the evening and is handling staff involvement ■ Also going to have some kind of sport, then staff vs students tug of war ■ Lots of teachers have agreed to do a water dumping fundraiser ○ 2 primary teachers have offered to run tours upstairs for any alumni that want to come check out the space. ○ Henna artist booked! ■ 4:30-6 ■ Cash payment ○ Sideswipes confirmed ○ Junior band (Masterlinks) performing ○ Grad club selling cookies ● Staff will be wearing cedar creek identifying clothing, wondering if the school council wants to have shirts to wear as well? ○ Cassidy going to reach out to school tee about shirts ● Other schools having similar events are posting flyers to WRDSB so staff who have moved to different schools can see it - Cassidy volunteered to put something together for	John Vicki Dina

Friday.
    - Also putting an ad in Ayr news / Ayr news is going to come and cover the event.

- **Mme Eleches Memorial Ideas**
    - School garden with bright flowers as an immediate option for this year -
        - Do during after school hours, that way kids who feel like they do need more closure, they are welcome to come with caregivers and help plant
        - Invite the support team and see if workers can be available to come and provide support for any kids that might need it.
        - Mrs. Morris will reach out to Heather from the support team about doing this either May 21st or 23rd after school
        - Hoping for flower donations, council members will make sure orange flowers get picked up for the garden
    - Bench (with french quote) as a more permanent option to put in place longterm
        - Board has an “Expressions of Sympathy” policy on what can and can’t be put in place as a memorial - family has already received a letter, there will a tree planted by the board in the fall, seeds and flowers planted around the tree. Board’s position is that when we begin to put things like plaques and benches, school spaces begin to look like cemeteries, and that can be difficult for a learning space, and if down the road these things need to be moved (ie: construction), or get damaged, it can cause more grief over time. Trying to come up with other ideas, could we dedicate part of the playground? We have a collective need/desire to honour Mme Elches, trying to balance how to meet needs of the school community and not cause harm down the road.
        - Suggestion of getting/donating french books to the library in memory, Mme Elches loved reading/providing french reading opportunities to her kids.
        - Is there a way to incorporate french learning

into the playground?	
Old Business/Take-aways from last meeting ● **Aerial Photo** ○ April 22 after a few delays ○ Photo will be presented along with the quilt at the BBQ ● **Movie night** ○ (April 3) Great turnout - about 170/180 people ■ Very noisy, council isn't responsible for telling other people's kids to be quiet, no playing tag, etc, so it's a difficult balancing act ○ Approx $130 profit on just selling chips ○ Discussed sending out a survey to see if we should continue movie nights (as well as including thoughts on food orders, other events, etc). ■ Also discussed putting out a newsletter in time for May 8th BBQ to show people what council does, get more involvement, get feedback, etc. ● **Nutrition Bins** ○ Issues with students taking multiple items ■ Meant for second nutrition break, if you've eaten everything and you're still hungry ■ Don't need to take a fruit in order to take a dry good. ■ Portable kids are supposed to be taking from the upstairs primary quad ■ Some kids are throwing food on the floor so they can use the bin ■ Have also had apples with one bite taken and put back ○ Dina and Jordyn continue with shops and filling, and others have been shown the process and can help when needed, and with clearing bins on Fridays	Vicki/Dina
Principal Report ● **This months highlights** ○ Movie Night ○ Njacko Backo - French Assembly ■ Kids loved him, pulled around 75 students and gave them shakers, got lots of student	Mrs. Morris

interaction
    - Cedar Creek Art shared for the Kiwanis Egg Hunt
    - Support from the school community

- **Upcoming key dates**
    - April 24 - class pictures
        - Mme Eleches photo is going to be held in her class's photo
    - APril 28 - Grade 7 and 8 going to see performance at southwood
    - April 30 - Bus Safety Presentation Assemblies
    - May 5 and 6 - Intermediate Track Days
    - May 8 - 25th Anniversary BBQ and Arts Night
    - May 12 - Grade 7 / 8 Mental Health Conference
    - May 15 - Dental Screening
    - May 26 - Junior Track Day

- **2025 Partners in Time Project (locker magnets)**
    - Request for support - Locker Magnet Project with the Waterloo Region Museum and our Gr 7 Classes
        - They will come in and do the lessons
        - Plan is to do another 30 panels (students in groups of 2)
        - Each panel costs approximately $27 (total about). Cost this year to us is $9/student ($540)
        - Museum will pay $270
        - Ask - will council pay $270
            - MOTION PASSED - Council will pay $270

- **Travel and Traffic Committee update**
    - Updates:
        - Kindie entrance plan has started, it's helping to clear some of the congestion
        - signs have arrived (kiss and drop signs and no U-turn signs)
    - Intermediate next steps
        - Editing of travel and traffic pamphlet - to launch beginning of May
        - Ask from the traffic committee: for the first week once the signs go in place need volunteers to reinforce for people to refer to the pamphlet and following the signs - hand out some hershey's

kisses for the kiss and drop, and have some extra pamphlets to hand out ■ May 5th at 10:30 Leslie will be here to meet with any volunteers who want to help with the parking lot ○ Long term next steps: ■ Trail blazers plan? ■ Arrows painted on the parking lot (summer) ■ Path from the fire hall - budget review in the fall ● Per Rod Rollerman: the more people who email township about the need for this path, the more likely township is to fund it	
Teacher Report/ Staff requests ● Food Days for next year ○ Everyone loves the pizza, wondering about incorporating other things - have the pitas/subs ○ Problem is having the volunteers in order to run these food days ○ RA's is working on to go boxes of chicken fingers/veggies and other options ○ More international options - Johnny Greekos does hot lunches in Paris ■ Suggestions of having the CAC club partner with council to do international food days once a month (ie: jamaican food during black history month) ○ Another problem with hot food is that some companies won't do double drop, so one group of students won't be getting their hot food hot.	Shannon
Fundraising ● Spirit wear - Open April 28th - May 9th ○ Will include the core values option for Spiritwear ■ Will add $1 to the shirt price ● Young pups - 50 shirts ordered for Kindie Night ○ Confirming we only are ordering the small size this year? ■ Going to get a mix of XS and S since they have	Cassidy

to fit through to SK	
Q&A/ Items for next meeting ● Next BBQ Team meeting Tim Hortons Monday at 6pm	
Next Meeting WRAPSC May 6 @7:00 & Council Wednesday May 28 @ 6:30
