Cedar Creek Public School Council Meeting

Wednesday, September 24th, 2025 / 6:30pm School Library

Agenda Item	Facilitator/ presenter
Welcome/ Attendance Sheet/Name Tags/Introductions Present: Vicki, Cassidy, Mrs. Morris, Ashleigh, John, Mme Becker, Gagan, Jess, Heather, Brooke, Jordyn, Mallory, Brittany, Raquel, Sarah	Vicki
New Business ● **Book Fair Results** ○ Did well! Sold about $9000, school gets about $4000 back ● **Nutrition program** ○ Dina and Jordyn are looking into Produce Express: uses a point system, money goes back towards the school and delivery would be made to the school instead of having to go buy everything ourselves - looking into cost comparison at the moment ■ Deliveries come in crates, would still need people with safe food handling to distribute, would also need containers, etc. ○ Nutrition 2 Learning was previously explored - they ask for a $2000 deposit, but it looks like that might not be a requirement. The use of our homegrown nutrition program last year also shows a need in our school and makes us eligible for the program. ■ N2L does not provide fresh produce, but it does have items with long shelf life. ➢ **VOTE: motion to spend up to $100 a week on a Nutrition Program (specifics to be determined) - APPROVED** ○ Looking for volunteers to help fill the bins (on food dropoff day). Pizza lunch volunteers can help by checking on the bins mid week, then Fridays the bins would be cleared out before end of day (need	Vicki

volunteers for this too). ○ Suggestion of having a rotation of people to go to Costco to purchase produce so it's not all on one person ■ Sign up sheet on Calendar - **Appendix A** ■ Typical Costco list (last year) - **Appendix B** ○ Also need new Bins for Nutrition Program ● **Santa parade** ○ November 29, 2025 ○ Cedar Creek will be walking in it again this year - spirit wear, get the Coyote, Sabre and Acorn to join ○ Need permission slips to participate ○ Steph to reach out and ask staff who wants to participate ○ Going to reach out to Ayr Public earlier this year to see if they want to join ○ Suggestion of getting students to make themselves flags to carry ○ Banner?	
Old Business/Take-aways from last meeting ● **Meeting with Facilities on Friday re: Playground process** ○ Still fundraising for playground - we have $65k right now, need $100k - $150k ○ Plan to go to the public when we're closer to the finish line so donators aren't waiting for results ○ Re: current playground: 30 schools had playground repairs identified over the summer that couldn't start until September 1, so we are in the queue to get repairs. ○ Facilities coming Friday - Steph to ask about where we are in the queue, also going to ask where the old materials go. ■ The Board will pay for removal of the old playground ■ Re: where do the old materials go - is it possible to repurpose them and donate / sell at a discount to schools that can't afford brand new playgrounds? John to bring this up at WRAPSC	Steph

Principal Report ● **New Staff** ○ We have several new staff members this year! Welcome! ○ Board granted 1200 minutes of SMACA, welcomed 3 new SMACA supervisors to the team ● **Highlights from Septembe**r ○ Welcome Back/ Colour House Assembly ■ Staff minute to win it challenge ○ Unveiling of next installment of locker panels ○ Meet the Staff Night / Book Fair ○ Intermediate Team building day (for the grade 7s coming from APS and CC to meet and come together) ○ Cross Grade Collaboration on a Truth and Reconciliation Banner for the North Dumfries Fair ■ Re: the Fair: A few prizes have been won by CC staff and students! ○ Soccer Teams have Started ○ Many clubs getting underway ■ CAC (Cultural Appreciation Club) has launched ● Doing a poster pal group (grades 3-6) ■ Grade 5 students - planning to do a board game club or gym time so they can interact with one another (grade 5s are split between indoor and outdoor during nutrition break due to the size of the school) ■ Langs hosting a Girls Club (girls grade 6-8) with Michelle from Langs on Wednesdays, 2nd nutrition break ○ Getting ready to relaunch Wiley Winners / refreshing the board ● **PPM 170 Parent, Family and Caregiver Communications Portal** ○ School day message sent out with guidelines surrounding communication with staff and parents ○ Click Link to view more details ● **2025/26 SLIP Goals** ○ School Learning and Improvement Plan (SLIP) ○ Aligning Board's core values with the SLIP work within	Steph

the school
    - Identifying student needs, staff needs to address student needs, implementation, review/assess
    - 3 key areas worked on as a staff last year:
        - (Universal Design and Learning Supports
        - Focusing on Literacy
        - Building our Core Values with an equity rooted mindset
    - In June, did some work as a staff to reflect on how they felt about what they had learned and had been implementing, and what they thought the results of that implementation had been (what they thought the data would show us, and do they feel we need to continue this year?)
        - For all 3 key areas, Staff gave strong levels of support to continuing with these strategies
    - Going to be adding attendance data
        - Ministry definition of chronic absenteeism is 10% of the school year (about 20/194 days). 18.9% of Cedar Creek's population had 24 days or more of absence in the past year
            - Direct correlation between student achievement and attendance
        - Want to be intentional about how we are going to support parents and help families understand the importance of attendance.
        - Want to decrease 18.9% down to 10% **this year**

ACTION: Want to hear from parents - how can we support getting your kids here more often?

- **Please fill out this Google Doc to provide feedback:**

- **Upcoming Events**
    - Tomorrow (Sept 25) is Terry Fox Day during period 7&8 (rain day set for Friday)
        - Students are very close to meeting the school's fundraising goal (which means another Pie in the Face for Mrs. Morris!)
    - Sept 30 - Orange Shirt Day for Truth and Reconcilliation
    - Oct 2 - Training of our new Trailblazers will be happening (this program comes from the Parking and Travel Committee) - going to be having some older

students run walking school busses in the community! ○ Oct 10 - PD DAY ○ Oct 13 - Thanksgiving ○ Oct 14/15 - IEPS sent home ○ Oct 16 - “Get Real” workshops for the whole school - 4 workshops on Anti-black racism and creating inclusive communities ■ K-1 group & 2-3 group in library ■ Grade 4-6 group & 7-8 group in gym ○ Oct 17 - Leslie from STSWR coming to take a travel survey in our classes. We are still seeing some challenges in the parking lot (especially on rainy days), still have some work to do with the kiss and drop ■ Steph also has a meeting with Rod for an update on the path from the firehall, and to go over an alternative evacuation site for the school ○ Thinking ahead to Pro Grant - Suggestion to do the Get Real Workshop or Harmony Movement for Parents? ○ The quilt is in the office, just need instructions on how to put it up (bar, hook in the wall, etc) then Connor can hang it for us!	
Teacher Report/ Staff requests ● **Outdoor sports equipment - Link here (looking for 2 sets) ($359.70 each)** ○ 2 years ago, school council paid for 2 recess kit packages (includes various types of balls for the kids to play with at recess), asking to purchase replacements this year as the old kits have had a lot of wear and tear. **VOTE: motion to purchase 2 kits - APPROVED** ● **Jerseys** ○ Can we get 15 new jerseys for soccer/volleyball as some have gone missing and players are having to share. (Cost is about $330ish for 15 jerseys through Schooltee - Cassidy to look into cost of Jerseys plus the additional logos discussed below). ○ Current jerseys are green - wanting to keep the green as none of the opposition teams are green, and there	Shannon

are already teams in Cedar Creek colours orange and in grey, so want our teams to stand out. ■ Can the new Jerseys to have the Coyote printed on them? ■ Is it possible to update the old jerseys to have the Coyote on them as well? - Cassidy to look into this with Schooltee. **VOTE: motion to fund up to $500 for jerseys - APPROVED** • **Track Shirts** ○ Need new track shirts - (these could be in the school colours) - to be looked into by Cassidy - need them for May (approximately 80 shirts). • **Book fair** ○ Thank you from teachers for hosting the book fair, the kids had a ton of fun • **International foods for meal days** ○ CAC willing to help out ○ Got flyers from Johnny Greekos (they deliver to schools) ○ Suggestion to look into food trucks with the older grades	
Fundraising • **Spirit wear closes September 30th** ○ Discussed getting “coyote” paw print Jibbitz to sell ○ Request to look into having all kids in one family being in the same colour house so families can pass down shirts - might make them more likely to buy spirit wear as they can re-use. • **Ideas for big fundraisers** ○ Dances (various age groups discussed, suggested we try leaning more into the primary grades) ○ Parent nights (ie: dances, karaoke nights, etc for adults at NDCC or Curling Club). ○ Krispy Kreme/Rodriguez Donuts ○ Big Box of Cards ○ Samosas ○ Produce Boxes	Cassidy

○ Raffle? (cake raffle, artwork) - would require lottery license, need to look into ○ Talent show/play/recital (sell tickets) ○ Henna Workshop for students ○ Premade Pre-packaged Cookies ○ Have some kind of ticketed event (Raise Reptiles? Magician?) where you can incorporate a lot of these smaller ideas as "booths" on the side ○ Suggestion to use Southwood Students as volunteers (in exchange for hours) ○ Request to create a Cedar Creek Events Social Media Page through Instagram to advertise as well as Facebook	
Q&A/ Items for next meeting **Motion to keep members in their current roles - APPROVED** ● DIna and Vicki - Co-chairs ● Cassidy - Fundraising & Treasury ● Ashleigh & Cat - Meeting Minutes	
Next Meeting PIC - September 25th, WRAPSC Tuesday, October 7th & Council Wednesday, October 22nd	

Appendix A - Nutrition Program Volunteer Sign Up Sheet for Filling / Clearing Bins
