<u>New Business</u> ● Meet the Teacher Night + Scholastic Book Fair in September ○ Book Fair September 16th during the day, 17th in the evening for Book Fair and Meet the Teacher Night ● N4L next year ○ Today was a double delivery day, bins and everything was FULLLLL, and 30 minutes later after pizza day, the bins were already half empty because intermediate kids are just hanging around and snacking, clearing out the stock. Kids who are actually hungry aren't able to get food. What can we do to limit this issue next year? ■ One bin per classroom? ■ Put fruit only in high traffic areas and put some of the quicker moving items (snack foods) in the office ○ Standard weekly budget $140/week for next year - requirement: protein, grain and produce ○ Some fresh veggie items as an idea: fresh veggie cups - prepared by Jordyn ■ A1 Cash and Carry: $20-30 for 1000 plastic cups ■ Could also do bagels and cream cheese, jam sandwiches, egg salad sandwiches, etc. ■ Jordyn has safe food handling, she has to prepare the food but other volunteers can help package, label, etc. ■ Going to trial one veggie cup day for June 15 to see how it goes, then look at doing it once a month next year. ■ Motion: $50-$100 for plastic cups for veggie cups - APPROVED ○ End of week snack strategy: walk around during final snack distribution and offer remaining snacks directly	Vicki / Dina John

to students. Remaining snacks can be refrigerated for grab and go access during the week. ○ Possible student responsibilities: ■ Count remaining inventory ■ Collect classroom bins ■ Fill bins using checklist ■ Deliver bins to classroom ■ **Motion: purchase 25 bins (1 for each classroom) - cost approx. $50-$100 - APPROVED** ○ Helpful idea: ■ Create a visual checklist showing what items belong in each classroom bin. ○ Considerations for next year ■ Main MRP Bin may be unevenly accessed or overused ■ Some kind of incentive (ie: draw for cookies) for the helper kids	
<u>Old Business/Take-aways from last meeting</u> ● BBQ/Open House ○ Went well - made just over $800 ○ Was great having the BBQ donated ○ Having Hitched there was great ○ Didn't end up doing the water drop because it was so cold and we didn't have the volunteers to pull off of BBQ duties ■ Idea for future to do jars for each teacher, people can put their money into jars and teacher who raises the most money gets water dump in june ○ Next year BBQ tentatively booked for May 6 ● Kindie Night ○ Lots of sign ups for new members to school council ○ Next year tentatively booked for May 20 ● Staff Appreciation ○ 50 staff members ○ Hitched confirmed to do sandwiches ○ Hitched offered to have the truck come for 2 hours ■ Going to decline offer - too disruptive to the school day with 2 locations. ○ Some gluten and dairy sensitivities	Vicki / Dina / Cassidy

○ Share posts asking for volunteers
