| **Welcome/ Name Tags/ Introductions** | Vicki / Dina |
| **<u>New Business</u>**<br><br>● Vote on Council Chair(s) and other positions - secretary, etc<br>All voted in favour of Vicki Murray and Dina Paddock remaining as co-chairs. Ashleigh Marry is secretary and John Galbraith as WRAPSC contact.<br>● Playground Update<br>Peter Loker and Alex Ramirez are our new facilities contacts. Playground situation has been reassessed and it has been determined that the large playground likely has 1-2 years of life left. The small playground is unsafe and will be removed soon. Our options for the future are:<br>1) Repair the large playground and add new elements. This could start in around a month but weather could halt progress.<br>2) Wait until spring and increase the scope to replace the larger playground as well. The board provides $15000 for landscaping, equipment removal, etc, which would be provided once.<br>Group voted in favour of option 2. We will continue to fundraise this year but plan for a spring build. We have approximately $115000.00 in the playground fund and another $16000.00 in the council account. Part of the $16000 can be moved to the playground fund.<br><br>● Nutrition 4 Learning<br>○ Mini fridge was purchased for intermediate wing but we're considering a child lock or similar option to deter visits to the fridge during class time. N4L food is to be taken during nutrition breaks only.<br>○ Student helpers (6) and our CYW will collect the bins weekly to add new food and deliver to appropriate classes/areas. The CYW is an EA in the mornings so if food is delivered in the morning Jordyn will come to | Vicki / Dina<br><br>John |

| distribute the cold food to the fridges. Afternoon deliveries will be handled by the CYW. Jordyn still does the food orders. The program may require everyone who handles food to have the safe serve certification. Jordyn is looking into this as all our food is prepackaged.<br>● New Food for Kids program is also starting. This is extra food for those in need. Food can be sent home for families in need on weekends or over holidays. The CYW discreetly distributes to those students bringing this food home. Props to Jordyn for implementing these programs and her continued support.<br><br>**WRAPSC Update** | |
| **<u>Old Business/Take-aways from last meeting</u>**<br><br>● Book Fair<br>We sold $9238.37 worth of Scholastic items. Our rewards are either $4295.84 in Scholastic dollars which equates to approximately $150 for each teacher to purchase items for their classrooms OR $2147.92 in cash.<br>Council voted in favour of the cash option this year as we need to raise money for the playground.<br>We also found out this year that our delivery and pickup date for Book Fair cases are Thursdays. To avoid having the cases stored in the library for two weeks we can move the book fair to a different day (Wednesday) next year.<br>● Meet the teacher night | Vicki / Dina / Cassidy |
| **<u>Principal Report</u>**<br><br>● Staffing Updates<br>585 Students, 8 new teachers and EAs, a new VP, a new CYW, a new librarian and two new temp Secretaries<br>● Emergency Supply List<br>Need to be over 18 years old, have your high school diploma, a Vulnerable Sector Check and an interview with Steph. Successful applicants typically get called in to fill in for EA or ECE roles.<br>● September highlights | Steph |
