E. Fundraising & Events Update (Erica/Jenni)

- What our funds paid for last year! **See Section D**.

- <u>Proposals from Colleen Bishop for 2025/2026 Purchases</u>
    1. Outdoor Temporary Canopies (example for track and field meets)
        - Other schools have branded canopies
        - Helps with relief from elements, use for school events, etc.

- Cost approx. $300-400 for branded canopy from Amazon (can't use Amazon)
- Other vendors are more costly (>$1,000).
- Colleen looked into PK sportswear
- Some may be sturdier, and different sizes.
- Counsel likes the idea; more research needed
- ACTION: Ariana will do further research.

2. Signage at Front of the School
    - Sign Language Inc. does signs for WRDSB

    Option A: $17,500 to remove and replace with full colour LED sign (Lackner Woods has this)
    Option B: $8,000 repair existing unit
    Option C: $4,000 remove and replace with zip track system and illuminated LED array

    - Counsel talked about the value of signage, that there is value but hard to know how many people read it
    - In parallel we need a way to communicate better. Kat suggested we roll out a Calendar on the school website.
    - Consider, plan for future.
    - ACTION: Defer.

- What do parents want to see for events?
    - Not Discussed

- What do parents want to see for fundraisers?
    - Not Discussed

- Holiday Market

    Date: Saturday, December 6: 11 am - 3 pm
    Update on planning
    - Application was posted to FB, will be reposted to school day
    - Public Health will inspect all our food vendors
    - Ariana is clarifying if student bake sales are subject to the inspections
    - Many of our vendors have pre-paid

    Volunteer sign-up

- Need a call for volunteers for set-up, take-down, helping with hot chocolate. This will happen in November.
- We have asked Papa John's to sell pizza

- Poinsettias/other Holiday fundraiser ideas?
  - Do we want to do a fundraiser with the deliverable being in earlier December?
  - How much did we earn? Minutes from last Jan say about $700. Seems high but if true, that's good.
  - Caitlin will email vendor and propose a Dec 5 delivery.

F. Other Business:

- Volunteers needed to search for and apply for Grants for events
  - Every year we can apply to a $500 PRO (Parents Reaching Out) grant for projects that encourage more parent involvement. One example is providing childcare during parent council meetings.
  - **ACTION**: Colleen Bishop volunteered to champion this with Kat.
