E. Fundraising & Events Update

a. Showcase of the Arts (Kat)
   - Very well received. Thank you Kat!
   - Sold at least 85 pizzas!
   - Opening the arts portion after the show helped; will do it next time.
   - Feedback from parents (all positive):
     - Parents like Pizza out front (Papa John's)
     - Papa John's motivated to come back again.
     - Some teachers (mainly LTOs) stepped up to help support the event. At least 6 were there!
     - Used all the chairs (about 300) and there was still standing room only.

b. End of Year BBQ (Kat)
   - **Date**: June 11th. **Time**: 5-8pm
   - Rain Plan: Move Indoors
   - In a good position. Two food trucks responded; not enough. Back to BBQ proper.

- Mike Floys (one of the parents) volunteered to donate his time and grill to support the event. Large grill; don't need to keep hot dogs warm. Thank you!
- We will have a separate Halal BBQ (we have it here). We share with Lackner Woods (FYI)
- Lots of HS students are volunteering from Grand River and Cameron Heights.
- Gr.7/8 Leadership club wants to do a bake sale table to support nutrition for learning (not school council)

c. Next Year's Events Calendar: SET DATES (Kat) *Note: Please bring your calendars if needed*
    - Not discussed

d. Idea for next year – Colleen

    Fundraising Idea for next year (Colleen)
    - Non custom generic Chicopee Hills Coffee Mugs
    - Inexpensive, thinking that lots of people would buy them
    - One Choice, very simple.

F. Other Business

L. Outdoor Learning Area (Colleen)
- What are the next steps?
    - TBD
- What are the specific roadblocks?
    - Perception that we are not allowed to have a play structure is not correct. This is a hangover from the past Principal
- What is our plan for moving forward?
    - TBD

M. Other outdoor play options (Colleen)
- "Creative climbing" playground equipment
    - See above: TBD

N. Follow up from previous purchase discussions
- Sign Proposal (Colleen)
    - Council decided that we want to put more of the school money on "things in kid's hands".

    - Previously council talked about surveying parents. If parents feel strongly about the sign, council feels that they should participate in the council. No survey.
    - The sign is part of the facility. Why is fixing the sign the responsibility of school council?
- **<u>Council recommends</u>** to Admin that the school repair or replace the school sign from school funds.

O. Question about Field Trips – Colleen

- Question raised whether there has been a change in policy about field trips: Observed that some students get more field trips than others.
    - Field trips are always at the discretion of the teacher.
    - Field trips must be part of the curriculum
    - All students must be able to participate
- No Action

P. Executive for September 2026?

- We will have a June meeting with a focused agenda
    - June 9th, 6:30pm
    - Planning for Executive
    - Timetable for Next Year
    - **NB**: Sept 16th meet the teacher night
