    - VOTE: Ask to council for $750 to outfit the new classroom
        - Motion approved - 12 yes votes

7. Spending of funds
    - Two options for spending funds
        - Use funds for big projects
        - Teacher/staff proposals - go through Rob and are brought to council
    - Goal for spending going forward, more full school/community based requests

8. New Sign
    - Last year's ask was to spend funds on new electronic sign
    - Looking to go with something permanent, cheaper, with less maintenance
    - Thought being sign would be cheaper (estimated 5 to 10k, instead of 30k for electronic sign), and added cost not worth the benefit of adding messaging when already using school day, google classrooms, etc.
    - Example provided from Sir Adam Beck
        - Contains: school name, school logo, board logo, and daycare logo and school address
    - Question: Could we bring in a rental sign if we wanted to promote something temporarily. Answer: Yes, that could be an option.
    - VOTE: Ask to council permission to look into new non-electronic sign
        - Motion approved - 9 yes votes

9. Meeting close
    - Next meeting Wednesday November 12 @ 7pm
