    - Question: What progress has been made since the last update?
    - Answer: the Safe care inclusive team (comprised of students) have come up with a plan and are launching a project to help students feel more engaged & included
    - Focusing on engagement
    - Challenging teachers to look at equity habits of mind

3. Budget Summary

- Started at $57.4k
- Ended at $62k (no accruals for earmarked funds)
- Scientists in school cost higher than anticipated due to higher demand (Estimated $2.2k spent)
- Mr. Wilson to double check spending of volleyball uniforms, K4 equipment, etc. to ensure captured in next budget update
- Expected expenses to show next month
    - Scientists in schools - $2,249
    - School Sign - $7,642.60
    - Musical Instruments - $6,000
- Need a plan to spend remaining unallocated funds
    - Potential to use some for additional basketball nets at the back of the school

4. Bingo Update

- Only shift without volunteers this year is Sun Dec 27, 2026
- If anyone is interested in doing extra assignments let Vasco know

5. Earth Day Clean Up

- April 22 School council hosting a school yard clean up
    - City of Cambridge providing supplies (gloves, garbage bags, etc.)
- Proposed draw for any classes that participate to win a pizza party
    - Updated proposal – pizza party for whole school as budget is available – estimated cost $1k
    - Vote passed with 12 Yes

6. Sensory Equipment Proposal

- Mr Wilson approached by k4 teacher with a list of sensory items to be shared as circuits in kindergarten/grade 1 classes where there is available space

- Plan is to sign out/rotate supplies within classes
- Ask: Can we also include a medium bubble tower? Or weighted blankets/toys?
- Discussion around expanding of request since we have funds to use up. Expanding to include supplies for grades 2 & 3 as well.
- Discussion around alternative location for sensory room rather than in classroom circuits. No alternative space available.
- Proposed vote for $5k for sensory items, including additional teachers, and SpecEd teachers in discussion
    - Updated proposal - $2k for list of items currently requested. Additional $3k to be spent on additional items to be decided upon by wider teacher/SpecEd committee.
    - Vote passed with 12 Yes

7. Classroom Outdoor Kits

- Ask for $2k to purchase outdoor toys (basket balls, soccer balls, etc.) and storage containers for each class for use during recess
    - Vote passed with 12 Yes
