- 9-17 voting members are allowed.
- 22 people expressed interest in being voting members. 5 current voting members removed their name from the ballot resulting in 17 names. As this is within the allowed limit of voting members, no election needed to occur and all proposed voting members were approved.

5. Principal's Update

- School population decreased, currently 578 students (down from 630).
- The parking lot is looking better this year.
- Parent/Family handbook has been shared on School Day.
- Grade 5/6s will be trained next week for the walking train to walk kids to school.
- A more comprehensive update will be provided at the next council meeting.

6. Subcommittees

- School Council has a number of subcommittees. Mr. Wilson asks that each voting member looks at contributing to 1 or 2 subcommittees.
- Volunteers (non-voting members) are also encouraged to join any subcommittee.
- Subcommittees to be discussed and finalised at the October meeting.

7. Bingo

- Vasco Serrado stepping down as Bingo Chair and will train his replacement.
- Potentially Bibi Corbeil will no longer be able to volunteer for bingo shifts. ● The school gets $1.5k from every bingo shift we attend.
- Currently there are approx 20 people trained in bingo, very few actually volunteer. ● If we are no longer able to meet the volunteer requirements, the school should consider stepping down from bingo. In the future, we can then apply again if we have more interest from volunteers.

8. Pizza Day

- Current whole pizza prices:
    - Cheese $9.50 (up .50)
    - Pepperoni $10.00 (up .50)
    - Gluten Free $13.50 (no change)
    - Gluten Free / Dairy Free $16.00 (potential new offer)
- More volunteers are needed for pizza. Ideally 3 volunteers per week. Hours are 12:40-2:10 every Wednesday starting in October.
- Shannon Wall proposes to reduce the cost of pizza from $2.25 to $2.00 per slice. The proposal will save money for families, and will bring pricing in line with other local schools. As there is no longer a playground to fundraise for, we don't need to collect extra money.

● Shannon Wall proposes that we offer a Gluten Free and Dairy Free pizza to allow dairy free children to be included in pizza day.

● Mr. Wilson supports the proposals as it will make pizza more inclusive. ● **Motion** for pizza to be reduced to $2.00 per slice and for a gluten free and dairy free pizza to be included in the pizza day offerings:

○ **13 YES, Motion PASSED**

9. Meeting close

● Next meeting 14 October 2026.

● Mr. Wilson will send an invite link and reminders closer to the date.
