Edna Staebler School Council- December 14, 2022

Last Month Review

Book Fair

- 8 Adult volunteers
- Volunteer requirements did make it challenging
- There was a lot of excitement and steady attendance
- $2000 made for school council funds
- Money to go to homereading
    - Tatania- we will be taking time to consider what home reading looks like with the shift in the reading program.
    - There is a need for books in French
    - We will return to the topic in Jan/Feb

Pizza Day

- By the second part of break the pizza is cold. Committee members ask about purchasing pizza bags
- Action Plan: reach out to Twice the Deal to see if they will leave pizza bags, if they cannot provide them council votes in favour of purchasing bags
- Continue month by month ordering for January and maybe consider doing longer order blocks in the future as this will reduce School-Day fees

Flip Give

- People are finding it not as user friendly
- Can get $5 per account signed up

Follow Up Items

Community Learning Series

- Binary Tattoo will only do parent sessions. Looking into White Hatter as they have a student component.
- Considering combining with another school for the parent event as this can reduce the cost significantly.
- Looking at February timeline

Move-a-thon

- Matt the DJ is available- Action Item- ensure Matt is booked, cost is $400 for 9am-2pm
- Date is Feb 15th
- Two ways council will raise funds
    - 1. pledges - classes that raise the most get price, students that raise the most get a prize
    - 2. Glow items that can be purchased at the event- council looking into different options for these

Computer Mice

- Pause on this as some have come in from donations

Financial Report

- Have reimbursed 2 vulnerable sector cheques
- Purchased 1 projector and 1 document camera
- Under $10 000 from Wefi used for playground
- Considering a teacher wishlist to decide how to spend money- Tatania to discuss with teachers and consider what they might want. Scoreboard is also not working and may need to be replaced.

YMCA Update

- No one present

Principal's Report

- Safe Caring Inclusive Schools: Students met designed survey, meeting for the team to be scheduled when results are available
    - Things that make me feel cared for at school
    - Things that make me feel included
    - Reasons that I feel safe
- Safety of school Site
    - Increase frequency of surveillance by B/C after hours
    - lighting increase on North West side of the school Work order has been placed
    - Research into perimeter lighting
    - Installation of gates at both entrances
    - Research into the installation of speed bumps/humps in parking lot

- Celebrations
    - Grade 4/5B had a visit from Radio personalities to speak to the kids about what their work looks like, to take questions from the students and two groups presented their radio station project to them.
        - Dave Blezard (Program Director)
        - Jessie David (Morning Buzz co host on 107.5 DAVE Rocks)
        - Joey Castillo (Afternoon Drive Host on 91.5 The Beat)

    - Trips have been occurring…
        - Grade 5 and 6 went Crawford Lake today
        - Grade ⅘ and gr 5 class are planning a trip to the outdoor education centres (structures and biodiversity)
        - Ace classroom went to Winter Dance party at Southridge PS -Dec 1st

Staff Update

- Students have been excited with the return of clubs/sports
- Overview of trips that have occurred (see above)
- Spirit group have been out during nutrition breaks and involving students in games to win a candy cane. This has been very successful.
- Intramurals are happening

Any Other Business

- Hanane is reaching out to the school board Diversity Director regarding consistent policy around celebrations. Last meeting individuals brought up feelings of inconsistency around how holidays are talked about and differences between schools.
- Movie night could be a positive community building event. Consider licensing as this is the biggest expense for this type of event.

School Closure for Police Presence Incident

- See Principal's Report
    - Make phone calls to by-law and non-emergency lines whenever necessary.
    - Consider reaching out to elected municipal members and the Neighbourhood Association regarding proactive measures.
