Edna Staebler School Council Meeting Minutes- September 18th, 2023

1. **Review of expense items approved from last year**

Approvals ready for Sep (2023-2024 School Year)		
Costs	**Status**	**Item**
$5,000.00	Approved	Social Emotional Learning
$2,000.00	Approved	Literary Connections (old home reading program)
$1,000.00	Approved	Grade 7/8 trip subsidy
$3,000.00	Approved	Programing Sept, Mad Science, 1500 for Primary, 1500 for Junior
$300.00	Approved	volunteering reimbursement pledge
$3,000.00	Approved	Technology
$9,300.00	**Total**	
$11,000.00	Approved	Playground addition from previous carryovers, WEFI
At our next meeting, we will go over other spending plans for rest of the year		

Social Emotional Learning was the Sara Westbrook presentation. This began with grades 1-8 and will also begin with the Kindergarten and ACE classes in the near future.

The grade 7⁄8 trip will occur in October. The school found that the monies allocated to subsidize trips in order to reduce barriers for students to attend, was not utilized last year. The hope is that by applying the money to the cost for all students will help families. Families that feel they are able to give more are welcome to donate to specific trips etc. through WEFI.

Members would like to look at proceeding with the playground addition in the Spring. Looking to allocate $15 000 additional to the $11 000 previously approved. This will be revisited at the next meeting and voted on at a future time.

2. **Calendar of events for this year**

Overall Plan for major council events					
Fundraising	**Major Events**	**When**	**Who 1**	**Who 2**	
$9,000.00	Pizza Lunches	Year round			
$2,000.00	bookfair	Oct 23-27	Hanane		
$8,000.00	Moveathon	Feb	Stephanie		
0	STEAM Fair	Mar? Apr ?	Stephanie		
$2,500.00	Spring Social	May 31			
$21,500.00	**Total**				
$8,000	Approx Last year's carry over				

- Moveathon date penciled in for February 7th.
- Pizza lunches will start in October. Stephanie will get it started but we are in need of volunteers.
- A google form will go out in search of volunteers for this and other initiatives.
- Council members brought up parent involvement and look to brainstorm how to get more parents involved and spread the word. Members feel that school-day is not user friendly and/or not checked frequently. Members are encouraged to talk to their neighbours about what is happening on school council and how they can get involved.
- Bookfair- Ekram and Alicia willing to support Hanane with this.
- We will need as many people supporting Spring Social as we can find (all hands on deck!).
- Looking for volunteers for Pizza, Moveathon and STEAM Fair

3. Volunteering requirements and reminders
- Discussed in the above notes when discussing the calendar of events.
- New volunteers must complete the volunteer application forms and obtain a vulnerable sector check.
- Volunteers who have previously completed the process will require a new vulnerable sector check at each expiration date.

4. Overview of the role of school council
- Tatania will send a link to the council handbook
- Once school council has voted on how to spend money, the school is not required to provide specifics on what exactly was purchased (e.g. council votes to allocate funds to math resources and the school purchases what they see fit to support this).
- Once school council has voted that money cannot be reallocated for a different purpose.

5. Voting for new council members
- Will occur at the next meeting.

6. New Business
- Members inquired about grade 8 celebration
- Tatania spoke to how this has occurred in the past. Students have a voice in what their celebration will look like.
- Parents are able to volunteer with set up/decoration. The school will come to council with what support they need.

7. Community Partner
- YMCA report- they will be getting a new playground. School council to consider connecting to their company to see if they can also get a quote from the same vendor.

Next Meetings: October 2, November 20, January 15, March 4, April 22, June 3
