Attendance: Candice Bauman (Empire Staff Rep.), Evonne Komaromi (Secretary), Khaled Sherif (Chair), Lori Williams (Principal), Lindsay Fox (Vice-Principal)

Regrets: Rebecca Clayford, Andrea Ahrens, Lauren Agar

Welcome and Introductions

No new introductions.

Approval of Previous Monty Meeting Minutes

Reviewed previous month's (March 2024) minutes. Khaled approved minutes Candice seconded.

Principal / Vice Principal Report

- STEM night was a huge success. Turnout was around 200 students. Volunteer students had a scavenger hunt during the night for kindies.
- There will be reduction of teacher's staff for next year due to significant decline in new students enrollments as well as students leaving the school for different reasons.
- Saidat came yesterday "April 23", the students loved the performance, it was very engaging and there was very high energy among the students. There were two settings one for primary and one for juniors in the gym
- Other upcoming events in May are:
    - Ballet performance May 14th
    - Jump rope for heart on May 16
    - Empire track for juniors on May 25
    - EQEA

Update on Literacy Night

- Literacy night is scheduled for April 30th. It will be a free flow starting from the library and in some classrooms. In each class, a teacher will have around 15 minutes talk explaining to parents the different tools available for literacy.

Quest STEM night Update and Next Steps

- The STEM night was very successful. Immediate feedback from parents and students are very positive. Next steps is to report back to QUEST how many students attended and wait for their invoice. On the PRO side of things, council has to conduct survey on the event and use it survey to write a report to the shool board about the event. The survey and the report are part of the conditional requirements to pay the approved grant.
- Khaled and Lori will check on what is the best way to send the survey to parents.

Update on Installing Soccer Goals at Empire

- We were not able to work on this project as all our efforts were focused on the STEM and literacy nights. Khaled will follow up with the city and Lori will ask other principals if they have installed soccer polls in their schools

Parent Questions and Concerns

None.

Adjournment

Meeting adjourned at 7:00 pm, Candace approved and Laura seconded.
