Pizza Update

- Things have been going well. Four parents are helping regularly. Sharan and Anam are running this with the help of volunteers and all is going well.

  Next Pizza Day should start the first week of the new year. Notice will be sent out in December.

Scholastic Dates: February 10th to 14th, Parent Night on 13th.

Parent Support Needed:
Parents please speak up and let us know if you can support us in any of these roles. Will put it out to the parent database. Sara Riaz mentioned she was interested in helping, but not necessarily with a lead role.

- New roles:
- Volunteer coordinator
- Scholastic Lead
- Idea Lead

Possible ideas:

- Dance-a-thon/Move-a-thon
  had a dance-a-thon two or three years ago. We had a D.J. before, can we do that again?

  The grade 8's could help D.J., we can make sure the music is appropriate.

  Can we think about possible dates? Maybe April? School Council to price out some equipment. – bring this to the next meeting. We could buy glow sticks and other fun things to offer the kids.

- Candy Grams – maybe before Scholastics
- Holiday Party Potluck
- Pancake breakfast – not easy to execute
- Community clean-up – shy away from this for student safety. Mr. Simpson takes good care of the school.

WRAPSC – Waterloo Region Assembly of Public School Councils. Heather will go and represent Groh PS. Meetings are usually once every 2 months.

	Next meeting: December 11th, for Holiday Potluck Karla will send a sign-up genius for what people can bring. Josi will bring games.	
6:40-6:45	New business Meeting adjourned – motioned by Heather, second by Anastasia	Karla
