Welcome	Attendance & Introductions - Carly, Devonnie, Taryn, Ryan, Paula, Karla, Fia, Anam, Sharan, Deola
Territorial Acknowledgement	We would like to acknowledge that the land on which we gather is the land traditionally used by the Haudenosaunee, Anishinaabe, and Chonnonton People. We also acknowledge the enduring presence and deep traditional knowledge, laws and philosophies of the Indigenous Peoples with whom we share this land today.
Financial Update Anastasia Uspenskaya	Current budget - $6900 left in our account - Spent some money for Grohfest but can't find how much we approved for it - Cash collected hasn't been added to the tally yet - Got approved for pro grant - was supposed to be used for the stage but we also rented tables and chairs from the same company and couldn't submit expense that was over $875 amount so Paula put together other expenses to cover that cost but couldn't find $50 so we lost out on $50 of funding (we used spoons, water, etc as expenses). They will deposit the amount into our account and stage/table rentals will be coming out of the school council budget - Paula already put in for table and chair rentals for the school board already
Principal Report Ms. T. Dowsling	Staffing Update - We are starting to wrap up staffing season for upcoming year - some have been deemed enrollment transfers - included Mme Dent, Ms Nylander, and some others have changed their assignments for next year - Process of hiring LTOs - Hired a temporary EA - Beatrice O. - DECE hired - Ms Valentine Facility Update - Alternate outdoor space for kindergarten but due to drainage and leave room for ghost portables so can't do additional outdoor space but looking at using space more - look at putting gate on opening to public trail so kindergarteners can have the gate closed but it will be mostly left open - Vandalism has settled down (knock on wood) - Field is still bad - Losing portables

	- Facility management team is looking at contracting out someone to address the field situation SLIP (School Learning and Improvement Plan) - Teams continue to focus on Math and improvement student learning - Safe schools team - initiative for next year to build school community - Working on reconciliation - new learning coming to staff in September - French - we want to make french more visible at the school and make special things around the school and improve teaching pedagogy
Teacher Report Mr. R. Thompson	Clubs and Teams - Tomorrow - grade 4/5/6 track and field to Jacob Hespeler to complete - Finally got banner for boys basketball championship - Grade 6 soccer team to Rockway for friendly match - Friday - outdoor play day - Grade 1-6 outside activities - Grade 8 activities next week - Pickle ball intramurals for next year
Committee Reports	Pizza Day (Anam/Sharan) - Last pizza day today and baskets are empty and ready to go for next year - 940 slices each pizza day - We have a great team of volunteers - flexible team - We have a system now that works to contact volunteers - Thank you Taryn and Paula - it is easy for us to communicate with you :) - Because of pizza day, we are able to get things for the school - In the June newsletter, there was information about what the pizza day money was spent on - parents assume things that are in the school are purchased by the board/the school but they are purchased by Groh School Council - Meet the teacher in September - have a display with what we raise money for - Next year - be clear about “if you are absent you are absent” - won’t be able to collect sibling pizza - students shouldn’t be going from class to class to get absent student’s pizza Grohfest Feedback Collection

	● Passport & Prizes ○ Maybe less stamps per raffle tickets? ○ Or get a raffle ticket for each station? ○ More volunteers needed at the end ○ Have two starting stations? Or a passport at each station? ○ More tables for writing names on raffle tickets ○ We had enough pens ○ People liked the prizes ○ Numbered on passports but not on signs so put numbers on signs ● Stations/Activities ○ Make use of the field and spread out games more ○ Less games? ○ Water bucket dump was popular ○ Tattoo station - some people got weired out about using the same sponge - or ringing out sponge between use or use cotton balls from dollar store - and put in green bin ○ YMCA folks were fun and helpful for smaller children - they were a friendly face for the younger siblings ○ Talent show area was crowded and it was hard to walk - maybe between portables? Can hear better this year than last year - keep crowds in mind for placement of next year ● Food Sales ○ Napkins? ○ All orange ice cream was gone ○ Chocolate ice cream went last ○ Next year - order equal for all ○ It was sold out before time was up so maybe go back to 2000 but freezer was full to the top with 1800 ○ More water bottles - cold water? - only 4 cases were bought but sold out quickly - maybe 10 for next year ○ Freezer was great under the stairs ○ Not opening the ice cream packages worked out well ○ Should we limit ice cream sales? Let's think about it ○ Pretzels were a hit ● Nuts and Bolts (tables, chairs, garbage, tents, etc.) ○ More garbage cans? No garbage bags so make sure they are stacked beneath the bags ○ Garbage pick ups in between from volunteers ○ Tables and chairs have already been rented from the School Board ○ More help from school council members to help set

	up before the event starts • Volunteers ○ Name stickers were helpful so you know who was volunteering next year ○ Water to volunteers ○ Volunteers to stay at the same station the whole 2 hours ○ 2 separate sign up genius Grohfest had great feedback - people are hearing great things! 	- Only spring request for funds - gives us a chance to get money into account - Or put money into school overall - put money into outdoor space - be nice for kids to have activities to do outside during outdoor nutrition break - Talk about this as a fundraising goal - permanent volleyball net/pit - If school board was able to get a contract to someone who can help fix the field, we want options presented to us and what they would support vs what we would need to contribute - they can present to school council - what have other schools done? - Gaga-ball pits?
