- Kyly: 3 events left that are "larger events". Kyly reviewed the above
- $17,000 funds still coming in through our fundraiser, plus the new bingo income - would project 20,000 additional funded coming in (Sharon)

   ii) Reviewed the comments from the last meeting and concerns raised - reviewed next steps - gathered more information within the last month about costs about different ideas raised at last months meeting
   iii) Opened the floor to discussion about the shade structure before bringing motion forward. Jesse motioned that based on the information on the previous meeting, moving to abandon the shade structure plan previously approved through this council. Seconded Kristin. All in favour, passed unanimously.
   iv) Julia and Sharon met to discuss Kindie Pen, it is in the front of the school - front facing. The Kindergartner uses the pen as well as extended day. Would like to bring forward a proposal to set aside some funds for the Kindie Pen. Kindie improvements are not anticipating being an issue with getting approval through the board. Would like to propose a large portion of the funds in the bank would go towards finishing the kindie pen. Further they discussed tree options for shade in the school yard. Julia requested maintenance look at cost and proposal to bring in large trees. Trees come with a warranty package to take care of them as they are planted. Looking for a quote from the Board. Finally they discussed providing for wish list items for teachers - some of the pieces on the teachers list were: consumable items that can be provided by the school, new document cameras, walkie-talkies, document camera, software licences. Carving a dollar amount and then the principal will triage the list based on the amount given. Wanting to recommend the 3 items: dollar amount for kindie pen, wish list items for teachers and trees for shade in the yard. Opened to the council for discussion.
      (a) discussed why shade structure options are limited for trees, school will not maintain it, or mow near it.
      (b) discussion the limitations around needing to use board approved vendors.

v) Motioned by Jill for $1000.00 for grade 8 grad photo booth, seconded Michelle, all in favour. Passed
vi) Sabina motioned $40,000 kindie pin items, Jill seconded, all in favour - passed unanimously - reach out by email to Sharon if you are interested in planning discussion
vii) Jill motioned up to $10,000 for wish list items, seconded Stephanie, all in favor, passed unanimously.
