7:10 - 7:20 Composition of Council and Elections

- Co-Chair - Amber Robertson and Christina Kropf will be the co-chairs this year.
- Secretary - no volunteers - will ask for volunteer at each meeting
- WRAPSC representative - Ashley Jardin volunteered to be the representative
- Treasurer - Sarah Hildebrant volunteered to be the treasurer.
- Ashley North - leading school yard improvements.
- Others?
- Meetings will remain hybrid and in person in the library.

7:20 - 8:10 Planning for 2025/2026 school year

- Budget plan - Sarah reviewed the budget spreadsheet and identified that we fundraise this year for the next year.
    - There are a few outstanding expenses (communication board, eco club) that need to be sorted out.
    - The council membership approved the budget as presented with $400 dollars for 21 classes to support field trips/class experiences/bussing ($8,400).
    - We have about $26,000 saved for playground replacement and need approximately $100,000 to replace one (we have 3).
- Fundraising plan
    - The group discussed what worked well and what could be improved this year for fundraising.
    - The chocolate fundraiser did not do as well as expected because we could not return chocolate so still have chocolate to sell. The company flagged that a lot of parents opted out of selling chocolate more so than any other school they have seen (we did receive donations). It is our largest fundraiser and typically raises $11,000 dollars.

    - Group discussed other options like Rheo Thompson Mint Smoothies (Christina, Lindsay and Madison) will look into this and bring back information)
    - Teva Cotta Cookie Company is an idea for fundraising
    - Ashley Jardin volunteered to look into Factory Shoe for fundraising ($5 dollars for every pair of shoes purchased goes to school).
    - Last year we did the following fundraisers:
        - Fall bake sale
        - Plant Sale
        - Gino's pizza
        - Krispy Kreme - Amber to find a date in May
        - West Coast Seeds - Nancy can support this again.
        - Chocolate bar - Do around Easter again
        - Mabel's labels - passive goes all year
        - Big Yellow Bag - passive goes all year
    - Amber and Christina indicated that we need to plan fundraising to align with our capacity and membership was going to consider what they had capacity to lead and support.
- Community events plan - we are planning to support community closet events in fall and spring and potentially a social family fun event in the spring.
- Schoolyard improvements - Ashley gave an update that she has developed a fundraising letter for businesses, one for the community that are ready for review.
    - There will be an upcoming meeting to make a plan for this year. Immediate next steps are to identify which playground structure we want to replace, make a fundraising goal/plan, apply for grants, etc.
    - The outdoor classrooms will be installed over the next month and there are additional grant opportunities to improve those areas for learning.

8:10 - 8:30 **Principal's Report/ What's on your mind?**

- Leah indicated that picture day is coming up Oct 6
- School enrollment is 21 classes and no classes in the portable this year (at this time). There are no plans to do a class reshuffle based on enrollment.
- Lori will be with our school until the end of October and maybe November and hopefully have a new VP by then.
- We have a number of teacher changes with contracts and maternity leaves.
