Principal Report (James Bond)

- Meeting with the Facilities manager is coming up but the report is still outstanding.
- James presents a series of potential improvements to the playground beyond replacing the play structures, including additional goal post, basketball nets, repainting games, additional gaga ball pit etc. These would be significant upgrades for a fraction of the costs.
- Once the report is received to determine if the playground needs to be replaced – and if the School Board is going to pay for it – then Council can decide which / how many of these suggested upgrades to go ahead with.
- Action: James to request quotes for the suggested updates and will forward the report once it's received.
- First week of ArtShine went well – some adjustment needed to the dismissal process.

Teacher Report (Danielle Vines)
- School clubs began in January including Makers, Volley Ball (Gym) and the Eco Club.
- Report cards are being sent home February 10th
- Each classroom received a large timer using Council Funds.
- Assembly was held for all students on RESPECT
- Billboard on Black Brilliance
- Reading Club – and Read-a-Thon coming up
- Valentines Day Outdoor Play Day!
- Human Society Visit is booked
- Primary field trip is TBD

Council Initiatives

- **Scholastic Bookfair**
  - Set up and looking great – ready to launch on Monday. Volunteers are all scheduled.
  - First time doing one long day (6pm) on the first day.
- **Domino's Pizza Fundraiser (Results)**
  - 96 Pizzas sold for a total of $864 profit generated
  - Pizzas were sold on School Day and required about 3hrs of volunteer work organizing the coupons to be sent home with students.

    - Repeat again @ the end of the school year with a longer selling window.
    - Thank you Sophie for leading this project!
- **FlipGive Update**
    - There was a discussion on how to better advertise how to use Flipgive – needs an explanation of how it works and how to use regular family purchases to use it. Action: Laurie & Heidi to work on promo for newsletters
- **Dance-A-Thon**
    - Discussion of a dance-a-thon school event held during the day with glowsticks, chips/snacks and DJ for music. Students visit the gym for the dance-a-thon grouped by class (Kindies first). Tickets are sold through School Day to raise donations which earn them prizes. Can also include raffles, treats and games.
    - This can also be a great activation for inside the Gym at Darlingfest
    - Need to discuss with Wayland about his services, equipment, honorarium.
- **Movie Night**
    - Suggested Date Thursday, April 17 – pending confirmation of staff & Wayland
- **Stuffies**
    - Discussion of handing out DRAKE stuffies at Kindergarten Orientation. The supply is getting low, the cost to replace and the minimum order is high.
    - Council agrees to stop handing out remaining Drake stuffies at Kindergarten night and reserve them for another use.
    - Suggest looking for a branded tote bag to be used for Library Books. Action: Danielle Vines to look into tote bags.
