Regrets:
Christine Roth

Becca Hardy called meeting to order

A)Community Update (YMCA) Barb Hewitson
Currently working on opening a 2nd toddler room which will require another full-time educator
Full day PDday program for extended day is being offered
Full day care for Dec 20-24th, Centre is closed between Dec 25th- Jan 2nd

B)Teacher Report- Gudrun Mackness
Nov 18th is Flannel Thursday (due to Nov 19th PDday)
Nov 26th is Sports Day- any sports related, school appropriate attire ie, hats, jersey,
Remembrance Day- school held a virtual assembly which included songs and poetry pre-recorded by classes
Photo Day is Nov 29th- individual photos
Clubs are continuing- Eco Club, Chess club and intermediate volleyball
Primary Home reading program has been going for about 3wks now
teachers are requesting, if possible, for parents to send extra masks to school- damp, cooler weather requires masks to be changed
As winter weather approaches, please send children in weather appropriate clothing suitable for outdoor play

C) Treasurer Report- Alida Kusch
Budget was prepared pre-COVID, which will clearly impact revenue this year
$29000 closing cash balance

D) Teacher Requests- Becca Hardy

Class breakdown for divisional resources($12/student/field trips(FT)$8/student)
Gr.1-3 171 students = $2052 FT= $1368
Gr 4-6 154 students = $1848 FT=$1232
Gr 7-8 201 students = $1242 FT= $1736
JK/SK 108 students = $1296 FT = $864

Requests:

Kindergarten- Alphabet starter books $166.05x4 =$664.20,
laminated worksheets $162.68,
whiteboard markers $152
APPROVED

Primary - home reading treasure box items (pencils, bookmarks, etc) $280.36
- 80 headsets with microphones to support speech to text, can be sanitized will support 160 students
- off amazon $849.36, teachers have to front the money and then submit for reimbursement
- through E-Way (board purchasing agreement through Staples) $1496

APPROVED to cover $849.36

Junior - wired headsets with microphone from Amazon $1771

APPROVED

Intermediate- submitted by Ms.Bauman
20 graphic novels by indigenous authors/artists to support grade 7/8 history curriculum (in English and French)
-laminating sheets
-totals $2420.54

APPROVED

Library Request- 2nd set of Forest of Reading books as well as French picture books $282.65

APPROVED

Special Education- a very large request totalling $3451
-headphones with microphone $370
Wee Thinkers (board recommended) V1 $125, V2 $190
Individual timers $250
Beanbag calming chair $190
Digital clocks x6 $135
Guided Reading set (Nelson)x 30 $1800

Dreambox license for all Gr 2/3 students and 15 for Jr. student with special needs $391

APPROVED

Gudrun Mackness - French Globe with metal base $76.99

APPROVED

Amy- Could a council member purchase the requested headsets off of amazon and the school reimburses?
Erica- Will check with Pam about writing chq's to reimburse

Mme Lilia- has requested online French reading program "Je Lis" to supplement home reading program, 6 premium or 6 basic licenses
Gudrun- basic license would be fine $1084.46
Hard copy books to send home for home reading (Gr. 1-5) $2100
Total - $3084.46
APPROVED

Primary- submitted by Mrs. Roth
need to update and replenish home reading program books $5000 plus $24.45 for the paper pockets
Alida- where do these books come from?
Mike- home reading kits are purchased through the publishers
Amy- Is there any money from the board to support home reading? where are we at in terms of capital expenditures (ie playground)? do we keep $10K aside?
Erica- there is not a budget line for the home reading program
Becca-followup to Amy's question about the playground
we need to send out a parent survey
no money is currently ear marked for Forest School
nothing on the go for the playground
Gudrun- the parent survey is very important
teachers are really trying to close the gap created by COVID closures, DL, in person-
more challenges for sure now and will likely see more post COVID

APPROVED

Primary Division Field Trip-Scientist in the Classroom virtual visit
$1840 which is over allotted budget of $1368
Laura- how does this work? if student can't pay or don't want to participate, where do they go?
Erica- everyone would participate and the remainder would be paid out of the school budget
Neil- so basically $2-3 for parents to pay

APPROVED $1368 for this request

Becca-if everything goes through and assuming we have $29K in the bank, we will have $4k left in the bank

D) Fundraising- Laura Cristache
1)Dominoes Pizza fundraising is scheduled to start up in Jan
it will run for 3 weeks starting Jan 11, 2022, school gets $5/pizza sold
no cost to the school, so definitely in favour of doing this again

2)Plantables raised about $240

3)Mabels Labels raised about $89

Laura- Purdy's Chocolates-buy boxes upfront and then kids sell
25% of sales, seasonal boxes are a coded sale
Daniella- could we look into Reids for a more local option?
Laura-Reids % is not as high
Jessica-like the coded idea, it extends our network and not a common fundraising choice
Adrianna- Albert's Donuts- Albert's grandchild is a JK student this year- might be able to arrange something through them?
Laura to reach out to Albert's Donuts

Neil- Offered up Forward Church parking lot as a pick up location if need be for any fundraising items
Tanya-also offered up her business location as a point of pick up

Gudrun- FlipGive through Indigo might also be an option?
Becca- will look into FlipGive

Voted to move ahead with Dominoes and Plantables, Becca to investigate FlipGive, Laura to reach out to Albert's Donuts
Voted against Chocolates at the time

E)Principal's Report- Erika Gillespie
New Staff list:
Adam Zach- Gr.7
Kat Mityuk- 1/2 time with Mme Padilla
Sam Goodwin- until May

Still looking for parking lot attendant 2x 40mins
Strong Start and Nutrition for Learning programs are looking for volunteers
Field trips are allowed, that said, they are very expensive and with all of the COVID protocols (increasing risk with double cohorts, bussing), we are shying away from them at this time.

Gudrun- a lot of students are absent due to COVID protocols, so mixing cohorts is too risky right now

budget- board does not allow a carryover any more, therefore we need to spend every penny of the budget
there is a 30% reduction in every school's operating budget because digital expenses are now taken out of the school budget
Because of the parent council purchases of Chromebooks, Moffat is sitting at a 1:1 ratio of student to chromebooks- we are very fortunate. That said, once these units become outdated, they won't be replaced by the board.

F)Adjourn- meeting adjourned 8:25pm
G)Next Meeting- Jan11, 2022 @ 6:30pm via Google Meet
