School Council Meeting Agenda

School: Silverheights Public School

Date & Time: February 9, 2022, 6:00-8:00 pm

Location: Virtual Google Meet

"Parents play a vital role in the development and education of their children and in the success of schools.
They are the most important influence in a child's life outside of school.
Long after direct learning from parents in a child's early years gives way to formal education, parents continue to play a key role in student success through the attitudes they help to share and the direct supports they provide."

Nope, not yet. No Updates expected until April/May - Leaders-In-Training (LIT) Programming still available, most is online some is required to be in person, just need to have approvals in place for in person (and will be outside as soon as the weather is good) -		
5	**Principal's Report** - Report cards in progress, to be sent home Feb 16th - No new COVID updates; Phase 3 scheduled for after March Break - School Fundraising by Board for Hepa Filters; parents can donate to WEFI Fund to support HEPA Filters, can donate at any time to WEFI, can designate to any specific fund or school. Schools can then apply for those funds if needed. Does Silverheights need more filters? Schools were prioritized based on each school HVAC; Silverheights has been placed lower on the list due to our recent renovations. - Cohorted Jr & Int intramurals. - StrongStart & small start has resumed. - Difficult time filling French Teacher LTO position in our community – has been posted 5 TIMES! Admin is trying their best to support the position with French teachers within the school. Board wide there are at least 6 French LTO vacancies. (ours is also month to month which makes it hard to fill) - Ongoing issues with Int students with social media challenges. Abuse of privacy and social media will result in police involvement. - Gr. 8 Celebration & Grad: Board is moving away from the traditional "graduation" idea & towards a "celebration of accomplishment" based on financial & equity issues. A volunteer from Council would be appreciated for participating in the planning, awards, etc. Board will be sending more guidelines in the coming months (Volunteers to message directly Chair as a council rep). Students will also be represented.	10 mins	Principal (Jason Stere)

	- Kindie Welcome evening: Bag & Swag have been purchased. Board is asking to push to late May & early June. - School Pictures – being rescheduled. - Standardized testing (EQO) for literacy & math is not currently running this year. Usually for Gr. 3/6/9.		
	Equity Connections - Snow Day – new practice is that students log in and complete asynchronous learning; equity consideration is for effort from teachers to support students without technology. Within 90 minutes chromebooks were sent home to students that needed them. Well done staff to prep students to be able to participate. - Black Brilliance Month – some decisions have been made to reflect Black Brilliance (not Black History Month) to celebrate accomplishments, not history. Discussions need to be done very … carefully … given current climate. Discussions are being done locally within individual classrooms. No large scale assemblies. Focus is on student lead initiatives. - Days of observance for cultural celebrations (such as Lunar New Year, etc.) ? There are many days of observance given the large diversity of our student population. Staff are all given a calendar of important events and are encouraged to celebrate in their classrooms. On average there are 7 – 8 days in EACH week that are important days of observance in various cultures/faiths in our community. Based on classroom representation will be encouraged, not necessarily school-wide initiative.	5 mins	Vice-Principal (Carolina Miranda)
6	**Financial Report** Current Balance = $10,630.52 This accounts for the funds allocated for the gym mural Approved School Wish List = - $8,100.00 Remaining Balance = $2,530.52 Principal will process the invoicing & provide council with confirmation of what has been received & accounted.	10 min	Treasurer

	PIC Grant All School Councils automatically receive $500 from the MOE for events or activities to		

	"engage parents in their child's education." Funds must be spent between Sept. 1 & June 30. PRO Grant These grants encourage parent engagement at the local, regional & provincial levels & are designed to support parents in identifying barriers to parent engagement in their own community & to find local solutions to involve more parents in support of student achievement & well-being.		
7	**Fundraising Committee** - Board is allowing fundraising. Goal-setting Ongoing fundraising initiatives - Pizza days – not at this COVID time. - Domino's Pizza – Wednesdays all school year (~$300/yr) - Smencils? - Online gift cards - Ling to send out Google Forms to feedback on - Mabels Labels fundraiser (Kindie program) - Oliver's Labels fundraiser (School wide) Special Event initiatives - family movie nights	10 mins	Subcommittee Rep:
8	**New Business** Supportive protest planned on Friday to support the truckers "Freedom Convey" - No disciplinary action is taken for the protest - If kids take the protest outside the building, this poses more difficulty for the school to ensure student safety. - Easier to manage if kids keep the protest indoors within the building. - Typically junior and intermediate; plan will be put in place (as best as possible) for Friday for flexibility. Staff will be available. - Protest behavior is 'welcome' but disrespectful behavior is not tolerated. Also need to ensure that students who are not protesting still have access to curriculum, within Covid protocols. - Student safety will not be compromised under any circumstances.	30 min	Council Members
