Silverheights School Council Meeting Minutes

Date & Time: May 8, 2024 6:30-8:30 pm

"Parents play a vital role in the development and education of their children and in the success of schools.
They are the most important influence in a child's life outside of school.
Long after direct learning from parents in a child's early years gives way to formal education, parents continue to play a key role in student success through the attitudes they help to share and the direct supports they provide."

School Council Handbook: https://www.wrdsb.ca/wp-content/uploads/school_council_chairpersons_handbook.pdf

A school council is an advisory body that functions within the parameters of Ministry of Education and Board policy. School councils provide an opportunity and the means to advise the principal and the Board on any matter pertaining to improvement of pupil achievement and enhancing the accountability of the education system to parents/guardians. The ultimate responsibility for the administration and management of the day-to-day operation of the school rests with the principal.

Goudy)
7	**Special Events Subcommittee**: 2024 Community Activity Fair Debrief. - Success; ran smoothly; over 500 people attended - Desires: more space in the school for next year and be allowed to expand outdoors; food trucks, more parking be allowed to be available for vendors in our parking lot (space was too tight at the back) - October, Feb, and April discussing next vendor fair - We would like to continue to work behind the scenes on the vendor fair. Anyone else want to join? For someone that is a subcommittee member and not the lead, it is a guestimate that it takes about 15 hours of work + vendor day itself going forward. It took a lot more this first time, but we have all the docs written now & full vendor list. - Popcorn sales: sold just over half of the bags of popcorn: profit: $143.84 (this is after cost deducted); leftover popcorn costs will not go to school council; school will sell leftovers - WEFI: $139.92 in table donations - Total raised for activity fair: $283.76 - Not much, but also not the goal of our subcommittee and we needed another subcommittee member to work out	15 mins	Subcommittee Rep (A. Pharoah)

	what foods would be allowed to be sold and food trucks. Needed slightly more general volunteers too. **Welcome to School (Kindie) Night:** Parent Volunteers needed. - Min 5 volunteers needed to welcome guests at the door and manage the council table. Email chair if interested in volunteering

WRAPSC May 2024 WRAPSC rep: Amy Pharoah

- Speakers from Facilities: Lauren Agar (Planning), Ron Dallan, Nick Laundry (Superintendent Business), Maureen (Procurement), Mick or Nick Colvent (Facilities)
- Facilities works with school trustees
    - to make a plan for capital additions to schools ($2.5 million) to submit to the province
    - school boundaries
- portables: use especially for schools in a new neighbourhood to allow for changes in enrollment; when a neighbourhood is new, enrollment is at its peak, and enrollment drops over the years so portables become less necessary over the years.
- capital projects estimation for a new school built in 2023-2024: $25 million (includes inclusive design & outdoor education option)
- grade 7/8 schools are not being built anymore in our board; the last one built was in the 1970s. Only building JK-Grade 8 schools.
- 121 schools in WRDSB and 8-9 schools aren't fully accessible; sometimes old infrastructure makes this difficult or impossible
- facilities deals with: gym floors, washroom additions, playground removal, ordering of products for school councils ie tables, drainage issues at schools ie Silverheights, elevators, science labs, HEPA units, excessive noise evaluation in gyms, etc
- cameras in elevators: safety issue working on TSA approval
- $33-34 million in funding for facilities; accessibility isn't given specific funding from the province; our board isn't the norm; our board is working on the elevator issue; slowly adding them from our funding; added 14 elevators in 14 years; some grade 7/8 schools lack elevators
- tear down old schools and build new only when the cost of repairing exceeds the cost of total replacement; new schools are a lot more expensive now though
- washrooms: goal for schools: to have a universal washroom (single use with change table for children that need to be changed), barrier free washroom (for people in a wheelchair: single space, wide door, sinks at correct level, bar), gender neutral (open to the hallway and 3 stalls grouped together but stalls go to the floor with no cracks or open spaces with wash stands inside the stall), boys' washroom, and girls' washroom.
- gender neutral washrooms open to the hall will reduce vaping, etc.: big issue in high school for boys' and girls' washrooms
- can donate to WRDSB science supplies: go to WRDSB procurement and gift in kind; they won't accept everything
- facilities supports playgrounds by tearing them down, inspecting them yearly, but won't pay for them; no budget; they choose science labs, elevators, and washrooms over playgrounds; school councils need to fundraise for playgrounds; facilities can help with design choice and vendors for playgrounds; can have two playgrounds or multi-age playground to allow for grade 7 kids
- existing outdoor play spaces don't have to comply with AODA (Accessibility for Ontarians with Disabilities Act), but new ones do
- Silverheights drainage issue? Why was the kindie playground pulled out?
- need more system fundraising for schools that can't afford playgrounds
    - my idea shared of elementary school councils using Jacob Hespeler Secondary school to launch a joint activity fair and evenly split proceeds; that would create equity and support for other schools that can't raise much and also every council benefits w/ a huge event
- facilities can't do things until they get a work order in
- HEPA units have an hour rating so they know when to change them: in ACE classes or classes with mechanical ventilation
- what facilities items can school councils fundraise for: playgrounds, Monarch way stations, outdoor classrooms, food programs for kids
- rentals department can assist in booking a space for school council use

- when selecting a playground design: WRDSB is now using a committee approach: school council members, principal, etc.); committee approach is used for other things too (parking lot improvements at JHSS had school council chair Amy, facilities, city of Cambridge, teacher rep, STSWR, board rep that works with schools and cities, etc)
- playgrounds: they help with evaluation and design taking in desires of the principal & school council as a huge factor
    - 2023-2024: $35K to $50K for playgrounds; $35K gives you an extremely minimal playground
- disagreement whether principals can set aside a small amount of funds for playgrounds; facilities says no, but councils say it has been done
- principal profile form: May 24 deadline; school council evaluation of principal; PIC will be evaluating these; goes straight to the board from the chair; please keep info minimal because PIC will be evaluating
- School Council Survey: June 14 mandatory by law; keep info minimal
- what would you like to have happen more or differently at WRAPSC? More board reps, speakers, etc or other? What info do you like the best that I share? What info would you like less of?
- Next WRAPSC meeting: Oct.
- Do we have a Safe Caring Inclusive Schools subcommittee at Silverheights? Is a parent on it?
- We can sell baked goods: items must be packaged individually and have a full ingredient list available
- Tech (chromebook/phone) policy review: not on the radar of the board: what parents can do: send letters to trustees & superintendents with examples of what is working in other boards; chromebook issues: students gaming during class.

2) **Exitus Escape Rooms**
   - https://www.exituser.com/rooms
     - Product: Code fundraiser; every person who books using code, you receive $5 per ticket so 16% of sales; a 5 people booking is $25. Escape rooms for ages 7+ they charge & under 7 is free; lots of family friendly rooms (Lucy's Room, Wizard's, Pandora, and Coma); Physical rooms & virtual reality rooms; we can run this fundraiser for months if we wish. Wheelchair accessible.
     - Contacted: Yes

3) **Brantview Farm**
   - https://howell-road-cider-co.square.site/
   - Product: People place an order and 10% goes to the school; Brantview delivers to products to houses. Fundraiser needs to be 26 days. **OR** say school name at the cash and school gets 10%. Their business sells more than apples: apple cider, caramel apples, pies, shirts, maple syrup, etc., etc.
   - Delivery: Free to the door of every person if in the school vicinity.
   - Click through to the Brantview Apples & Cider online store - https://howell-road-cider-co.square.site/ 2. Choose the products you would like to order and checkout.
   - Run by: Bridgeport Public School : https://schools.wrdsb.ca/brp/files/2023/09/BRANTVIEW-Fall-Fundrasier-BPS.pdf

4) Krispy Kreme

- https://krispykreme.ca/fundraising-community/
    - Product: Cost: $8/dozen doughnuts; Suggested School Selling price: $12-18/dozen; can presell to family or friends or high traffic areas or buy for self. Need to confirm date available before
    - Cons: Minimum order of 50 dozen.
    - Delivery: None; Must pickup but they will assist loading our vehicle. Average sized minivan will hold around 300 dozen doughnuts with seats removed.
    - Fundraiser run by JHSS students $15/doz or $2 each; School Day message informing parents; know a private school that ran this successfully

Proposing for 2024/2025 school year:

1. Cambridge Gaming Association

a. Profit earned: Potential to earn thousands of dollars each month
https://cambridgegamingassociation.ca/

- biggest fundraiser of local public schools
- Pros: off-school fundraiser if admin appreciates this aspect
- 2 volunteers needed at a time
- Volunteers need to spend: Two hours each week at the Cambridge Gaming Association
- Volunteer responsibilities: 30 min/month admin work from proceed; send admin work to secretary, principal, and teacher to sign and photocopy and hard copy mail it.
- No money handled
- Clothing requirement: white collared shirts, black pants, and runners
- Has a waitlist, so we need to get on list soon if we want to join it at some point
- Run by: Hillcrest, Hespeler Public, Centennial, & Woodland Park council (11 WRDSB schools in total), and Jacob Hespeler Secondary School teachers, SNA, YWCA, etc.

2. Canadian Safety Supplies

- https://cdn.shopify.com/s/files/1/0850/8188/2929/files/CSS_FUNDRAISING_BROCHURE_15-JUN-2023_-_EMAIL-compressed.pdf?v=1708612503
    - Product: first aid kits: pocket first aid kit, essential first aid kit, emergency safety hammer +seat belt cutter; pet first aid kit, family first aid kit, auto safety kit., essential roadside kit (fuses, matches, screwdriver, flasher, etc.), family kit, solar hand crank radio, 2 person 72 hour survival kit, mini packpack CPR kit, basic burn kit. $5, $10, $12, $20, $50, $100. Made in Canada.
    - Pros: no upfront payments, no contract, no minimum orders; 40% profit.
    - Cons: Due to popularity, the business has struggled with supplies, so we can't put in our order until April 1, but we can fundraise before that date.

- Procedure: They have an attached digital brochure and we group all the orders together in the "Group Order Form" that this business supplies and return via email. The form shows how much profit.
- Delivery: Free shipping for orders of $1000 or more (some conditions apply). If under $1000, costs are difficult to predict, depends on location & weight. Whatever the cost, they will charge only half the cost of shipping ie. If shipping is $100, then they charge $50. Shipping turnaround is 2-6 weeks after payment has been received.
- Run by: Centennial Public School

5. From Farm to Table Popcorn

- https://fromfarmtotable.ca/fundraising/
  - Product: chips or popcorn; large packs are 32 bags (23g each) for $24 ($0.75); can sell for whatever we wish but I suggest $2-$2.50. Flavours: light butter salt, white cheddar, dill pickle, sweet and salty, salt &vinegar, chipotle cheddar.
  - Distribution ideas: Sell with pizza (2 dedicated volunteers) with a chart for every class (School Day & class list like pizza). Could do give option. Could also make a separate day popcorn day like Hespeler Public. Could sell monthly or weekly if we have the

volunteers. Could sell at a table inside the school that kids approach and volunteers collect cash. Teachers could also distribute within a class like the environment club did.
    - Pros: Free shipping, but need a minimum of 15 cases or more. Otherwise, pickup at Bishop St.
    - Cons: Don't sell when school is doing other fundraisers with popcorn like environment club at some point. Chips are pricier each bag for $3each.
    - Delivery: Yes, it is free, but their location is also conveniently in Cambridge too.
    - Profit earned: 62.5% of sales (if we charge $2 for each $0.75 bag)

5) Mitchel Soup

- https://www.mitchellssoupco.com/pages/fundraisers
    - Product: soup, stew, chili, and dessert mixes; online order form to share (can customize to different teams) $11/mix; will get a report throughout ordering
    - Pros: Runs almost year round.
    - Procedure: They provide a customer breakdown. Caregivers can purchase order online and pay through Mitchel's Soup Co. or caregivers can order and pay through the school.
    - Cons: Zehrs sells for $10 already.
    - Profit: earn 35% of your sales.
    - Delivery: Yes, if purchase 48 units.
    - Run by: Hillcrest Public

6) COBS Bread Bakery (still waiting for final word)

- https://www.cobsbread.com/about/community/
- Location: 561 Hespeler Road, Cambridge
- Product: Families buy products at COBS bread bakery, while mentioning the school name, and 10% goes to the school.
- Run by: Vista Hills Public (COBS Bread Fundraiser at The Boardwalk location. Families mention at cash that they are from Vista Hills Public School when they place their order and 10% will be donated to the school.), Westvale Public School, and Sandhills Public

7) Exitus Escape Rooms
